Dear Mr. Turner:

I received your request for a Material Safety Data Sheet (MSDS) on the product of Equate Baby Wipes.

I am very glad to inform you that baby wipes are considered "non-hazardous" according to 29 CFR 1910.1200. Because baby wipes are a cosmetic item and classified "non-hazardous", MSDS sheets are not required.

If you have any questions concerning this matter, please feel free to contact me at (501) 756-9251.

Rockline deeply appreciates your business.

Sincerely,

Mark Clarke
